

Avera MyChart

Manage Your Health Information in One Place

You can access your health information with ease — including insurance and benefits, medical bills, price estimates, medications, test results and appointments — even across multiple health care organizations.

New Digital ID Card

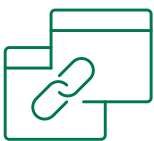

Use Avera MyChart to conveniently access your digital ID card for clinic, pharmacy or hospital visits.

Watch for your member ID number and details coming in May 2026.

Manage Your Coverage

View your claims, update your payment information and send secure messages to the Avera Health Plans Customer Care team at your convenience.

Take Care of Your Kids and Family Members

Use your account to stay on top of your loved one's health care and appointments by receiving Avera proxy access.
